

Cub Scout Nova Award Workshops at the Reuben H. Fleet Science Center

- ✧ Cub Scouts – Would you like have fun, learn about the great mysteries of science, and earn this amazing award? Now you can by participating in a Nova Science Everywhere workshop at the Reuben H. Fleet Science Center in San Diego.
- ✧ Science Everywhere is one of the Cub Scout awards in the BSA Nova series in science, technology, engineering, and mathematics (STEM) achievement.
- ✧ At the Fleet you will have lots of hands-on fun learning about science, visiting cool exhibit galleries, and seeing an amazing IMAX movie – all while earning your Nova award patch or Pi pin.
- ✧ Wolf and Bear Cubs – You will use the scientific method to experiment with tissue strength and absorbency, learn about pesky germs, and look at mold spores under a microscope. Wolves will earn the entire Nova Science Everywhere award and Germs Alive Adventure. Bears must complete an Elective Adventure (A Bear Goes Fishing, Bear Picnic, or Critter Care) any time before or after the workshop to complete the Nova award requirements.
- ✧ Webelos – You will act like scientists by experimenting with Alka-Seltzer Rockets, investigating rocks and minerals, and testing the Mohs Hardness Scale to earn the Nova Science Everywhere award and Earth Rocks Adventure.

Workshop Program Information

- Award achievement activities are led by Fleet Science Center professional educators.
- One BSA registered adult leader must accompany every five Scout participants.
- Adult leaders should review the Nova Science Everywhere award criteria in the Cub Scout Nova Handbook or online at scouting.org/stem prior to the workshop. Leaders will act as Nova Counselors when necessary during the workshop.
- Wolf and Bear Cub workshops include: Nova Science Everywhere award achievements, Germs Alive Adventure achievements, a visit to museum exhibits, lunch break (bring packed lunch), and an IMAX movie. Bear Cubs will participate in Germs Alive Adventure activities and must earn the A Bear Goes Fishing, Bear Picnic, or Critter Care Elective Adventure to complete the Nova award.
- Webelos workshops include: Nova Science Everywhere award and Earth Rocks Adventure Loop achievements, a visit to museum exhibits, lunch break (bring packed lunch), and an IMAX movie.

Registration and Other Information

- **Packs or Dens may register directly with the Reuben H. Fleet Science Center** by calling (619) 238-1233 ext. 806.
- Badge programs are offered on Saturdays from 12:00 Noon to 2:30 PM plus a movie showing, and are subject to availability. Please call at least one month in advance and plan at least one alternate date.
- A minimum of 10 Scouts is required for each workshop and a maximum of 24.
- The workshop fee is \$23 per Scout. Two adult chaperones are admitted for every 8 paying scouts. Additional adults will be charged the Fleet's current group admission rate.
- For more Scout information, please check the Fleet website at <http://www.rhfleet.org/learn/scout-badge-workshops>.
