

Big Boat

Sailing Opportunities

San Diego - Imperial Council has a sailboat available for Ships, Troops, Crews, Teams, Packs, Districts, or other youth groups to rent for exciting bay or ocean adventures.

Your program can include, but is not limited to:

- A day and/or night sail on San Diego Bay and/or the Pacific Ocean
- Participation in a local sail race
- A sail from San Diego Bay to Mission Bay for an overnight at anchor or sail to Oceanside
- Earning the Sea Scout Qualified Seaman (available to all Scout units)
- A day earning the Small Boat Sailing merit badge followed by another day putting those newly learned skills to use on a bigger sailboat
- Team building or program planning with your new unit or district leadership
- Build your own program

OSPREY is an IMX-38 an offshore one-design. The IMX-38 is a wonderful, sleek-looking boat with sweeping lines and the promise of plenty of speed. It can accommodate up to 12 participants, depending on program, for a day sail and has 8 bunks for extended voyages. Rentals require a trained adult skipper and council has a list of qualified skippers willing to help plan and take part in your program.

Program and Skipper Qualification contact Mike Philbrook at seascout@cox.net
Reservations contact council camping department at 619-298-6121 or sdiccamp@scouting.org
