

SALUTE & SUPPORT VETERANS WITH WESTFIELD

Westfield believes that when our military veterans re-enter the civilian workforce, they can leverage their training to help lead businesses and improve business productivity, while simultaneously sharing their deep ethos of service and excellence with us all. As part of the Westfield Veterans Initiative, we are fostering entrepreneurial and career development opportunities for both military veterans and their families. In addition, through our partnership with [Team Red, White & Blue \(RWB\)](#) and our sponsorship of the [Old Glory Relay](#), we are committed to celebrating military veterans' contributions to our society by encouraging social and physical activities that spotlight our nation's heroes and their families within the entire communities we serve.

In that spirit, we invite community organizations and retail partners to join us on Sunday, October 1, 2017 as we welcome runners participating in the Old Glory Relay. In partnership with Team Red, White & Blue, whose mission is to enrich the lives of American veterans, Westfield is celebrating the runners moving a single flag over 4,000 miles across the country.

Event activities will include:

- Live Entertainment
- Fun Fitness Activities
- Interactive Art Displays
- Red, White & Blue Spirit Station
- Make & Take Art Workshop
- Tasty Food & Beverage Sampling
- Tribute to Our Military & Veteran Community

Community organizations are invited to participate at the event with pop-up experiences, information tables, and more. For more information, contact Marketing Director Kelli Nenaber (KNenaber@westfield.com). To learn more about Team RWB and the Old Glory Relay, visit oldgloryrelay.org.
