

## COMMUNITY HELPING HANDS & SCOUTING FOR FOOD ANNUAL FOOD DRIVE

**The Scouting for Food month of March may be over, but the campaign continues for as long as scouts want to collect. If you haven't joined in yet, here is all you need to know to get involved in the 2019 campaign.**

Make a plan in your unit or get involved as an individual family to support this important Good Turn for San Diego families. Go to our [SFF webpage](#) for all the information you need to get started.

Our goal is to involve more than 3,000 scouts, their leaders/family members and our community partners in collecting the equivalent of 70,000 pounds of food to assist San Diego families. You can participate by:

- ◆ [Registering](#) your plan which will allow us to assist you as needed
- ◆ Going door-to-door with [Promotional fliers](#) and/or bags to request donations
- ◆ Placing San Diego Food Bank food barrels in businesses, churches and other locations in your community
- ◆ Challenging your friends and associates to a [Virtual Donation](#) competition. Each dollar donated equates to 6 pounds of food or 5 meals for a hungry San Diegan.
- ◆ [Volunteering](#) at the San Diego Food Bank or other food bank/pantry
- ◆ Helping to get the word out through social and other media (Twitter, Facebook, Instagram, local and school papers, church bulletins, your personal blog, etc.)
- ◆ Sending your success stories, photos and videos to [acs@sdicbsa.org](mailto:acs@sdicbsa.org)
- ◆ Last, don't forget to [Report](#) your collections to help us determine an accurate assessment of the total amount of food that has been provided to San Diego families

Contact your [district SFF Coordinator](#) or the [Council SFF Coordinator](#) for more information.

All food donations benefit the San Diego Food Bank and other local food pantries.
