

# Registration is open for Merit Badge Day September 23, 2017

## Register now for Troop 959's Merit Badge Day

Scouts have the option of taking up to four 2-hour classes, however, some classes require more than one session. The intent is to be able to sign off Blue Cards for all scouts who come prepared with all prerequisites and complete the in-class requirements. Regardless of the number of merit badge classes a scout takes, the cost is \$38 per scout. Lunch is included.

In putting on this Merit Badge Day, Troop 959 strives to create a quality Merit Badge program that includes skilled trades, life skills, general enrichment and Eagle-required Merit Badges. In small-classroom settings, Scouts will learn from carefully recruited professional counselors. There will be no on-site registration or walk-ins.
