# Troop 266 Scouts are Thanked for Their Good Turn!

Scouts from Troop 266 were recently recognized by a Scripps Ranch resident for helping her in her time of need! While their names were not given, here is a great example of Scouts doing their good turn!

Back in January, four Eagle Scouts arrived at Ellen Browning Scripps Elementary School to begin work on a merit badge. While walking to their location, they ran across a woman and her dog searching the ground. They stopped and asked what she was looking for and were told somewhere on the field she lost her car key while out with her dog.

The field had just been aerated and the scouts thought the key must have fallen in one of the holes. The scouts continued to look for the key until it was found! This is what we do...good turns without being asked.

Congrats 266! Well done!

Mimi Meacham from Troop 700 in Oceanside delivered seventy-five homemade semi-clear masks to the Deaf Community Services of San Diego for their staff and clients. These masks are clear to help deaf individuals see facial expressions and help them communicate more easily. Mimi just completed her Eagle Board of Review. Congrats, Mimi!
