

Unit Kernel,

Trail's End has partnered with San Diego-Imperial Council to provide storefront booking in 2020 and today is the first day to claim your storefronts. Sign in to the Trail's End Unit Leader Portal and click the "Storefront Reservation" tab to claim.

Please note, Trail's End has contacted all of the stores on our list. Due to the resurgence of COVID-19, many stores have been unwilling to commit to allowing Scouts to sell. Units are encouraged to reach out to these stores directly to seek permission to sell. [Click here](#) to download the complete list of stores contacted, and their status.
