

What's Poppin' #2 - Come and Get Your Popcorn!

To All Kernels and Co-Kernels,

Thanks to all of the units who placed a Show and Sell #1 order. We ended up ordering about 25 more pallets of product than last year and we currently have 100 pallets coming in on Aug 17! Hoping for a good popcorn selling season!

For those that missed the order time window, just send me an email about what you would like and we can prep accordingly. Just a reminder that the 2nd order is due at the end of August.

Just a reminder to check the www.sdicsa.org/popcorn site for additional resource materials (including presentations).

Here is the Distribution schedule for next week.

- **TIME:** Thursday, Aug 18 from 3-6 pm,
- Friday, Aug 19 from 3-6 pm
- Saturday, Aug 20 from 9-11 am
- **PLEASE CHOOSE A TIME BETWEEN THESE HOURS (IN 15 MINUTE INCREMENTS) AND LET ME KNOW WHAT YOU WANT.** We prep your order based on when we expect you to arrive. If you get to Camp Balboa early, and we have no line, come on in and see if we have your order ready.
- **LOCATION:** BSA Council Office Parking Lot, 1207 Upas Street, San Diego, CA 92103
- **WHAT TO BRING:** Vehicle(s) large enough to cover your order. Pickup trucks need a net or tie downs for their load. Please try to have your vehicles as empty as possible to maximize the load (including extra passengers). Note that the White Cheddar and Blazin Hot are fairly large boxes for the amount of product inside.
- **VOLUNTEERS:** I am still in need of a few older scouts or adults to help on Friday (2:30 - 6) and Saturday (8:30-11). Please let me know if you are able to give us a few hours of service.

Send me your time choice ASAP. First come, first served!
Contact me if you have any questions.

Thanks
