

What's Poppin #5 - Amnesty Returns

To All Kernels and Co-Kernels,

I hope everyone is having a good selling season. Based on the numbers that I see, sales are doing well!!

I know that everyone is trying to be inventory responsible (including Council) and many have been asking about returns. So, for a **LIMITED TIME ONLY**, I am offering returns through Monday, October 3 with NO PENALTY.

Rules for Return:

- Items must be in resellable condition.
- Cases or individual bags will be accepted (original outer box is always appreciated!)
- Special return day of Saturday, October 1 from 9-11 am at the Council Office
- For the special promo, all returns must be received at the Council Office by 5 pm on Monday, October 3, 2022
- No 10% restrictions on returns through October 3
- FINAL returns are still due to the Council Office by 5 pm October 31, 2022.
- All returns between October 4 and October 31 will be subject to the 10% restriction.

Whether you have a few bags or a few items or all that you checked out, now is the time to get it back to Council. We still have many units selling like crazy. Connect with your parents that may have inventory and make sure they are selling! If not, time to get it back and move it along. There are still 2 good selling weekends before this offer expires. Don't miss this opportunity!! Selling can still continue through October!!

Just an FYI that Council is also in need of returns as we are also trying not to place an order and end up with excess inventory. No one makes money if we don't sell the product and there is still about 50% of the product that is unsold in the field!

Let's finish this selling season on a great note!!

Thanks to all that have made this season a success so far!

Thanks
Deb Oberg
