Impact - Grow - Empower - Inspire

Wood Badge is advanced adult leadership training for all adult leaders and volunteers who serve within the Boy Scouts of America. Many Scouters consider Wood Badge training to be the peak or "mountaintop" experience of their Scouting career.

Wood Badge has served as a source of training and inspiration for thousands of Cub Scout, Scouts BSA, Venturing, Sea Scout, Council, and Zone Leaders; along with professional staff worldwide. The primary purpose of Wood Badge Training is to strengthen Scouting in local units, zones and the council. In return, Wood Badge participants have had a positive and profound influence on the lives of millions of America's youth by supporting the Mission of Boy Scouts of America to "Prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law", as well as in their professional and personal lives.
